It was decided to leave the decision until the next Council meeting.

(b) Litter Collection:

Members expressed their sadness following the news that Mr. Trevor Creber had died. Trevor had been a stalwart supporter of the Council, undertaking for many years the unenviable task of collecting litter from the playing field and other areas and emptying the various bins. He was always willing to be called on to give a helping hand which was greatly appreciated.

Unfortunately, life moves on and Members realised there was a need to appoint someone to take over the tasks that Trevor had undertaken and it was reported that Mr. Varndell had covered some of that work whilst he was in hospital. Councillor Mr. Sharp had discussed the issue with him and felt that he may be prepared to combine his current work with the work previously carried out by Trevor.

The Chairman asked Councillor Mr. Sharp to discuss this with Mr. Varndell and to let him and the Clerk know the outcome so that the necessary action could be taken.
